THE HUNGARIAN ACADEMY OF
SCIENCES SECTION OF MATHEMATICS
cordially invites you to the

# Big Five Centenary

event, where we remember the
mathematical works of our "Big Five"
members by celebrating their 100th
centenary.

## DATE TIME
5 June 2024, 10AM

## VENUE
Alfréd Rényi Institute of Mathematics,
Nagyterem

(1053 Budapest, Reáltanoda utca 13—15.)

**MTA** HUNGARIAN ACADEMY OF SCIENCES

## PROGRAMME

We welcome László Fuchs, external member of HAS,
We remember: János Aczél, external member of HAS,
Ákos Császár, regular member of HAS and István Gaál,
professor emeritus, and János Horváth, external
member of HAS.

The outstanding mathematicians born in 1924 will be
greeted by *Tamás Freund*, president of HAS and *Zsolt
Páles*, regular member of HAS, and president of the
Section of Mathematics, then a short scientific
presentations will be held in their honour.

| | |
|---|---|
| 10.00 | *Zsolt Páles*, President of the Section of Mathematics <br> *Tamás Freund*, President of HAS, will hand over the Arany János Award to László Fuchs. |
| 10.10 | *Luigi Salce*: Fascinating modules over valuation domains |
| 11.00 | *István Berkes*: István Gaál's mathematical work |
| 12.00 | Lunch break |
| 14.00 | *Miroslav Husek*: The mathematics of Ákos Császár |
| 15.00 | *Norbert Ortner*: János Horváth, born 30 July 1924, in Budapest |
| 16.00 | *Ludwig Reich*: János Aczél's Functional Equations in Mathematics and Applications |

## REGISTRATION

A video and audio recording will be made of the event, and your
participation will also be part of the published recordings. The
recordings will be available on MTA's YouTube channel.
